

The Naval Officer

Frederick Marryat

The Naval Officer, or Scenes in the Life and Adventures of Frank Mildmay

Frederick MARRYAT (1792 - 1848)

The author was a midshipman under Captain Thomas Cochrane, one of Britain's most famous and daring naval captains, who was a model for fictional captains Horatio Hornblower and Jack Aubrey. This novel, Marryat's first naval adventure, is considered to be a highly autobiographical telling of his adventures with Cochrane.
